

## **2022 National Off-Highway Vehicle Conservation Council (NOHVCC) Annual Conference and Mobile Workshop**

**August 18-20**

PRELIMINARY INVITATION AND EARLY DRAFT AGENDA\*

MOBILE WORKSHOP

**Thursday, August 18** – Approximate Times:

7:00 AM – 6:00 PM: Mobile Workshop - The mobile workshop will be held at a local riding area. Transportation to and from the site will be provided. ROVs will be provided as available.

This is more than "just a ride day." It will be fun, but the mobile workshop is designed as a learning opportunity. It will consist of guided tours of local trails with stops to facilitate discussion of successful management practices and highlight sustainable trail development and maintenance.

**Friday, August 19** – Approximate Times:

8:00 AM – 6:00 PM: NOHVCC sessions featuring presentations highlighting issues faced by the OHV community, opportunities for funding, best practices and partnerships, and other information sharing.

**Saturday, August 20** – Approximate Times:

8:00 AM – 6:00 PM: NOHVCC sessions featuring presentations highlighting issues faced by the OHV community, opportunities for funding, best practices and other information sharing.

6:30 PM – 9:00 PM: Banquet and closing ceremony.

**About Presentations/Presenters:**

While it is very early in the process of establishing the full agenda, some presentations expected are:

Powersports Industry Update – Motorcycle Industry Council, Specialty Vehicle Institute of America and Recreational Off-Highway Vehicle Association Senior Staff

Recreational Trails Program Update – Federal Highway Administration Staff

Interactive Discussion Regarding Principles Explored in Great Trails Guide

Update on NOHVCC's Initiatives

Presentations Based on Best Practices from Agency Personnel and OHV Enthusiasts from Across the Country

Many More!

\*The times and presentations above are subject to change and are intended to reflect the pacing and nature of the Conferences and should not be considered final.
